Dear Brothers and Sisters in the Lord,

Peace of the Lord be with you.

The Government of Singapore has announced closures including places of worship to help reduce the risk of local spread of COVID-19. As responsible members of the community in Singapore, the Lutheran Church in Singapore will work together with the rest of the nation to battle the virus.

**1. Worship Services**

Worship Services shall be live-streamed from JCC for all from this Sunday for you to worship together. Please accord the same reverence to God as you do in Church. Participate fully in the Singing, confessions and prayers as according to the liturgy. If you have friends worshipping with you in your home, remember to exercise the precautions advised by our authorities. Maintain good personal hygiene and physical separation.

The Chinese Service commence at 9.00am and English Service at 10.45am.

**2. Pastoral Care and Holy Communion**

Those in need for pastoral care or Holy Communion can contact your pastors to make arrangement to meet in church for prayers or for home visit.

**3. Availability of Sanctuary and Chapel for private prayers**

Congregations has been instructed to keep the sanctuary and chapel open throughout the week for those in need of a quiet place to pray. Do check with your church to confirm the opening hours.

Finally, may I use the words of Timothy "First of all, then, I urge that supplications, prayers, intercessions and thanksgivings be made for all people, for kings and all who are in high positions, that we may lead a peaceful and quiet life, godly and dignified in every way. (1 Tim. 2:1-2). Set your watch alarm to 12 noon and spend at least one minute to pray together as one with the rest of the Christian community for the nation.
